

Storage, Packing and Shipping Instructions

Please retain the enclosed bar-coded document with container number and pass code for tracking and documentation.

Lamp Box

Approved Contents

Acceptable fluorescent lamps – 4' fluorescent lamps, u-shaped, compact (CLF) and HID (shielded lamps included) additional charges may apply if you ship non-approved contents, an incorrectly assembled container or a container weighing more than seventy (70) pounds.

Lamp Box Assembly – Triple Guard

- **Tape** – It is best to use 3" fiber reinforced tape. Do not use masking tape. When taping a box end, seal the flap edges and corners completely. Do not leave any flap edges or corners exposed.
- **Inner Box** – Tape and seal all edges of one end of the inner box.
- **Bag** – Slide the taped end of the inner box into the bag
- **Outer Box** – Securely tape and seal all edges of the end of the outer box that states bottom. Insert the bag and inner box into the outer box.
- **Note** – It may be easier to not tape the outer box edges prior to inserting the bag and inner box.

Lamp Box Assembly – Double Guard

- **Tape** – It is best to use 3" fiber reinforced tape. Do not use masking tape. When taping a box end, seal the flap edges and corners completely. Do not leave any flap edges or corners exposed.
- **Inner Box** – Tape and seal all edges of one end of the inner box.
- **Outer Box** – Securely tape and seal all edges of the end of the outer box that states bottom slide the inner box into the outer box.
- **Note** – It may be easier to slide the inner box into the outer before taping the one end of the outer box.

Lamp Storage

Keep container closed when in storage.

When Lamp Box is Full / Return Shipping

- **Inner Box** – Securely seal / tape all edges of the open end.
- **Bag** – Fold and tape the open end (if one is enclosed).
- **Outer Box** – Fold the flaps of the open end in the order indicated and tape all edges. Do not cover the return shipping label.
- **Pre Paid Return Shipping Label** – Return shipping is included in your purchase of a WorkWaste container. Your return shipping label is already attached to your lamp box. Complete shipper information on container label.
- **Reorder** – Remember to reorder a replacement container.
